Jacob, this information is very helpful, thanks. We will agree to an extension, if your client will tell us:

1. Who is the entity that physically dialed the calls?
2. What dialing platform was used to make the calls?
3. Where are the call records?

While your client may not know this, I'm sure the dealer that you identified would. Thanks.

John,

My client cannot respond to the discovery requests within ten days. As a result, I am going to move for a protective order asking for thirty. I assume you will not agree?

My client has authorized me to disclose the attached dealer agreement with you. We believe this is the entity that made the call.

Jacob
